

# Wipe out the flu and schedule your flu shot today.

It's the best way to protect against the flu, according to the Centers for Disease Control and Prevention (CDC).

The flu affects millions of people each year and can result in severe illness—even death. A flu vaccine is the best defense to protect you and the people around you. The CDC recommends annual flu vaccinations for everyone 6 months and older.<sup>1</sup>

## Your flu shot is covered at more than 50,000 locations.

Take down the flu this season by getting your annual flu shot right away. It's covered at 100% when you use a network provider,<sup>2</sup> which includes:

**Your network doctor or other health care professional.**

**Any of the retail pharmacies listed on the back.**

**Any of the convenience care clinics listed on the back.**
